

Snowmobiler triggered avalanche north of Crown Butte, Cooke City, MT

No one was injured and the sled was partially buried.

A snowmobiler triggered an avalanche (yellow pin) north of Crown Butte (the gray mountain at the top of the image). This zone is typically approached from Lulu Pass. His sled was partially buried, but the rider was not. Lots of new snow in the last 24 hours created a **CONSIDERABLE** avalanche danger.

Advisory Region

Cooke City

Longitude

-109.97W

Latitude

45.07N
